Permanent No. 013-41

THE COUNCIL OF THE CITY OF BINGHAMTON
STATE OF NEW YORK

Date: June 19, 2013

Sponsored by Council Members: Webb, Motsavage, Matzo, Rennia, Mihalko, Berg, Papastrat

Introduced by Committee: Finance

ORDINANCE

entitled

AN ORDINANCE AUTHORIZING THE TEMPORARY USE OF EXPENSE FUNDS TO PURCHASE POLICE VEHICLES PENDING COMPLETION OF VEHICLE CAPITAL LEASE OBLIGATIONS

WHEREAS, the City of Binghamton (the "Lessee") is a political subdivision organized and existing under the laws of New York State; and

WHEREAS, the Lessee has paid, beginning no earlier than 6/01/2013 and will pay, on and after the date hereof, certain expenditures (the "Expenditures") in connection with the capital project (the "Project"), as more fully described in Appendix A attached hereto; and

WHEREAS, the Board of Estimate & Apportionment (the "Board") has determined that the money previously advanced no more than 60 days prior to the date hereof and to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the Lessee for the Expenditures from the proceeds of one or more issues of tax-exempt obligations (the "Obligations").

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, does hereby ordain as follows:

Section 1. The Board hereby declares the Lessee's intent to reimburse the Lessee with the proceeds of the Obligations for the Expenditures with respect to the Project made on and after 06/01/2013, which date is no more than 60 days prior to the date hereof. The Lessee reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Obligations.

Section 2. Each Expenditure was and will be (a) of a type properly chargeable to capital account under general federal income tax principles (determined in each case as of the date of the Expenditure) and (b) complies with all applicable Literary Fund regulations.

Section 3. The maximum cost of the Project is expected to be $164,502.

Section 4. The Lessee will make a reimbursement allocation, which is a written allocation by the Lessee that evidence the Lessee's use of proceeds of the Obligations to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid for the Project is placed in service or abandoned, but in no event more than

three years after the date on which the Expenditure is paid. The Division recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small Lessees" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 5. That this Ordinance shall take effect immediately.

I hereby certify the above to be a true copy of the legislation adopted by the Council of the City of Binghamton at a meeting held on 6/19/13. Approved by the Mayor on 6/24/13.
