  - We are aiming to have a representative of neighborhood associations come and discuss the concerns that they are facing in their neighborhoods. Giving us a chance to hear more from the community and their feedback on the CDAC Budget recommendation. This will be during our April 7<sup>th</sup> meeting.
    - If you have a representative from your neighborhood that is interested in coming please let Stephen know.
  - If anyone would like to look over the last 5 year plan it can be found on the City website
  - Debra asked if we could reach out or recommend media outlets be reached to help promote and make community members more aware of the public hearings. Stephen said that he will ask the Mayor's Office but advised that the last time he brought it up the Mayor wanted to leave all PR to his office.
