## BOARD OF ESTIMATE AND APPORTIONMENT AGENDA

DPW Conference Room, 3<sup>rd</sup> Floor City Hall  
Wednesday December 4, 2013

### OLD BUSINESS

**72 Court Street.** Offer to Purchase 72 Court Street for \$1, submitted by 33 State Street Associates on August 1, 2013. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on August 2, 2013. Tom Costello responded on August 2, 2013, stating that he is not in favor of this offer, submitted without a plan for development that addresses the primary use for the proposed purchase and related impact on adjacent parcels. In addition, the proposed purchase price seems unrealistic. Scott Snyder responded on August 7, 2013 stating that he agreed with Tom Costello's recommendations. Tarik Abdelazim responded on August 21, 2013, stating that so long as Building and Engineering concerns are addressed (detailed plan with fire safety issues raised, investigation of right-of-way issues, higher sales price), PHCD has no objections to the sale, as the future use of the lot as a downtown park would still be feasible. Philip T. Krey met with Allan Pope, representing both owners of the two adjoining buildings, and discussed the installation of a fire escape. The Board discussed maintaining the parcel as a separate lot, in case the larger portion of 72 Court Street is developed at a future date, with the added condition that the parcel would be re-conveyed to the City for the same purchase price should development of the larger parcel take place. Kenneth J. Frank met with Scott Snyder, who is not in favor of the plan to sell a portion of the lot with the opportunity for the City to purchase it at a later date. Corporation Counsel contacted the applicant's attorney on September 27, 2013, stating that the City is interested in selling the stairwell to the alley, with the proviso that the City reserves an easement to construct over the area. Corporation Counsel instructed the attorney to ask his client to submit a revised offer if this plan is acceptable. No response received.

**Offer to Purchase/Lease 17 Broad Street.** Request to purchase or lease space at 17 Broad Street for a new Verizon Wireless communications facility. Submitted by Chad Blackiston, Tectonic Engineering. Angela Holmes contacted the applicant, instructing him to contact Luke Day to further discuss this offer.
