BOARD OF ESTIMATE AND APPORTIONMENT AGENDA

DPW Conference Room, 3rd Floor City Hall
Wednesday March 19, 2014

OLD BUSINESS

Permanent Easement for Portion of 70-72 Court Street. Request to enter into an agreement for a permanent easement for a portion of 72 Court Street, submitted by 33 State Street Associates. Alan Pope, Andrew Urso and Larry Pasquale attended the meeting held January 15, 2014 to discuss the proposal. The Board reviewed this matter, and concluded that any agreement should be limited to the space required for a stairway, but should not include space for a patio. The Board of Contract and Supply approved a Request for Sealed Bids for 70-72 Court Street at a meeting held on February 12, 2014. Such Request for Sealed Bids includes a restriction stating that the sale would be subject to a permanent easement for pedestrian ingress and egress from a basement stairwell at 92 State Street, but that construction above the stairwell would be permitted. Kenneth J. Frank to discuss the details of the permanent easement with Mr. Pope.

Offer to Purchase/Lease 17 Broad Street. Request to purchase or lease space at 17 Broad Street for a new Verizon Wireless communications facility. Leigh McCullen noted for the record that any development would require Planning Commission approval. Proposal is currently being reviewed by Gary Holmes.

8 Meadow Street. Offer to Purchase 8 Meadow Street for \$100, submitted by Tonya Dakari on December 23, 2013. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on January 2, 2014. Steve Quinn responded on January 3, 2014, stating that this property is one of several properties that the First Ward Action Council is scheduled to purchase and develop under the City's Restore NY grant application and NYS Tax Credit application. Scott Snyder responded on January 3, 2014, confirming that the property is listed as a Restore NY property. Mayor David met with Jerry Willard from First Ward Action Council, who indicated that they are still slated to receive funding for the development of the property. First Ward Action Council should know the outcome within the next few months. Item held pending confirmation of funding for First Ward Action Council.

77 Pine Street. Request to donate 77 Pine Street to the City of Binghamton, submitted by Luciano Piccirilli of Stephgina Realty, Co., Inc. on February 19, 2014. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on February 20, 2014. Scott Snyder responded on March 3, 2014, stating that he is not in favor of accepting the donation, as the City just sold off excess properties. Snyder suggested that the applicant donate the property directly to Volunteers Improving Neighborhood Environments (VINES). Tom Costello responded on March 4, 2014, stating that his office did not identify any prohibitive factors, but as a building was previously demolished at this site, it might be prudent to conduct a Phase I Environmental Assessment of the property prior to accepting it as a donation. Jennifer Taylor responded on March 10, 2014, recommending the rejection of the donation, and to encourage the applicant to sell the property to an adjacent property owner. Bill Barber, Director of Parks and Recreation, responded on March 12, 2014, stating that the Parks Department is not interested in accepting this property.

109 Liberty Street. Offer to Purchase 109 Liberty Street for \$200, submitted by Laura Race on March 3, 2014. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on March 4, 2014. Scott Snyder responded on March 5, 2014, stating that he is not in favor of this sale. Snyder noted that this property was withheld by PHCD from the list of properties recently sent to

auction for some reason. In addition, the applicant does not own the adjoining property. Jennifer Taylor responded on March 7, 2014. PHCD needs to confirm whether or not this property is part of a development strategy under Restore NY. Should the City sell the property to the applicant, she would recommend including a restriction that the property must revert back to the City upon death, sale or transfer, or if the buyer should relocate. In addition, language should be included that would enable the City to assess the environmental conditions prior to acquisition. Tom Costello responded on March 10, 2014, stating that he would be in favor of the sale if the applicant makes a fair offer for the property. The Board discussed the potential sale of the property to the applicant's husband, with the condition that the property must serve as green space and/or garden space, and that the property would revert back to the City upon the owner's death. Jennifer Taylor responded on March 12, 2014, stating that the property was demolished by the City with funds used under Restore NY 1 grant program. The redevelopment strategy stated that development would be based on the following priorities: (1) persons displaced by the flood who are interested in developing and residing in a single-family, two-unit or multi-unit dwelling; (2) private developer for single-family, two-unit or multi-unit development; or (3) City may develop as part of the homeownership program. Steve Quinn noted that the City has not pursued resources to develop as residential unit on the property.

49 Riverside Drive. Request to amend the City of Binghamton municipal boundary at 49 Riverside Drive (Tax Parcel No. 159.41-1-49) to be coterminous with the property line, as the municipal boundary currently runs through the parcel. Item reviewed by the Board of Estimate and Apportionment on March 12, 2014, and by City Council on March 17, 2014. Both bodies indicated that they were generally in favor of moving forward with this annexation.
