**BOARD OF ESTIMATE AND APPORTIONMENT  
AGENDA  
DPW Conference Room, 3<sup>rd</sup> Floor City Hall  
Wednesday June 24, 2014**

**OLD BUSINESS**

**Permanent Easement for Portion of 70-72 Court Street.** Request to enter into an agreement for a permanent easement for a portion of 72 Court Street, submitted by 33 State Street Associates. Alan Pope, Andrew Urso and Larry Pasquale attended the meeting held January 15, 2014 to discuss the proposal. The Board reviewed this matter, and concluded that any agreement should be limited to the space required for a stairway, but should not include space for a patio. The Board of Contract and Supply approved a Request for Sealed Bids for 70-72 Court Street at a meeting held on February 12, 2014. Such Request for Sealed Bids includes a restriction stating that the sale would be subject to a permanent easement for pedestrian ingress and egress from a basement stairwell at 92 State Street, but that construction above the stairwell would be permitted. Kenneth J. Frank to discuss the details of the permanent easement with Mr. Pope.

**8 Meadow Street.** Offer to purchase 8 Meadow Street for \$100, submitted by Tonya Dakari on December 23, 2013. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on January 2, 2014. Steve Quinn responded on January 3, 2014, stating that this property is one of several properties that the First Ward Action Council is scheduled to purchase and develop under the City's Restore NY grant application and NYS Tax Credit application. Scott Snyder responded on January 3, 2014, confirming that the property is listed as a Restore NY property. Mayor David met with Jerry Willard from First Ward Action Council, who indicated that they are still slated to receive funding for the development of the property. First Ward Action Council should know the outcome within the next few months. Item held pending confirmation of funding for First Ward Action Council.

**19 Emma Street.** Request to donate 19 Emma Street to the City of Binghamton. Submitted by Staiman Industries, Inc. on May 7, 2014. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on May 7, 2014. Scott Snyder responded on May 21, 2014, stating that he is not in favor of accepting the donation, noting that the City recently auctioned off surplus properties in the City's inventory. Tom Costello responded on May 23, 2014, agreeing with the Assessor's comments. Jennie Skeadas-Sherry responded on May 30, 2014, noting that it is an industrial site, formerly used by a recycling company. She stated that Planning is not in favor of accepting the donation at this time. Ms. Skeadas-Sherry requested a Phase I Environmental Assessment, with the intent to revisit the request to donate the property upon receipt of the results, as Economic Development has expressed interest in the site. E&A referred the matter to Economic Development on June 6, 2014.

the CDBG program. Jennie Skeadas-Sherry responded on June 18, 2014, outlining the history of the parcel. In 2010 the structure was damaged by fire. The Fire Department recommended demolition within 30 days, as 46% of the structure was damaged. In July 2013, Keystone Associates inspected the structure for asbestos. No asbestos was initially found, but a lab test would be required for a final analysis. This structure is one of eight scheduled demolitions. Planning has no objection to the sale, as the parcel is not part of any other land planning project.

**Verizon Communications Tower.** Request for permission to build a Verizon communications tower upon Broome County property in the Charles Street Business Park area.
