Items Discussed:

- 1) Minutes of 04 Dec 2013 Meeting were read and accepted.
- 2) Three people who were approved to take the Journeyman Electrician's Test on 18 January 2014 have requested to not take the test in January, but will take the test in May. It was approved. They are Erik Nelson, Justin DiRose, and Caleb Nelson.
- 3) Our lawyers have confirmed that we are to honor reciprocity with Oneonta. I sent the City Clerk of Oneonta an e-mail confirming that. We will be issuing them Class C Master Electrician Licenses.
- 4) Discussion on electrician's who do not renew their journeyman or master licenses was held.
- 5) Cost of giving the electrician's exam was discussed. Costs involved are: (A) Rental of building and materials, (B) Prometric Proctor Fee, (C) Prometric Test Fee per person, and (D) Salary of COB people to administer the test. The cost of the test that is charged to each person has not increased in over 20 years. However, our testing has changed and it is more expensive. It was felt that the charges for the tests should be increased to \$200.00 for a Journeyman Electrician Test and increased to \$250.00 for a Master Electrician Test.

The next meeting is scheduled for 05 Feb 2014 at 10:30 AM. There being no further business before this Board, the meeting was adjourned at 11:35 AM .

Respectfully submitted,
