CITY OF BINGHAMTON WORKPLACE VIOLENCE PREVENTION PROGRAM

This program defines how the City of Binghamton will respond to threats and incidents in the workplace and will help to define the responsibilities of the many individuals who are involved in responding to threats, incidents, and other safety risks in the workplace. They do not supersede the rights individuals have as private citizens to make civil or criminal complaints regarding other individuals.

BACKGROUND:

On June 7, 2006, New York State enacted legislation creating a new Section 27-b of State Labor Law that requires public employers (other than schools covered under the school safety plan requirements of the education law) to perform a workplace evaluation or risk evaluation at each worksite and to develop and implement programs intended to prevent and minimize workplace violence caused by assaults and homicides. The Law is designed to ensure that the risk of workplace assaults and homicides are regularly evaluated by public employers and that workplace violence protection programs are implemented to prevent and minimize the hazard to public employees.

STATEMENT OF PURPOSE:

Nothing is more important to the City of Binghamton than the safety and security of our employees and the general public. Threats, threatening behavior, or acts of violence against employees, visitors, guests, or other individuals by anyone on City of Binghamton property will not be tolerated. Such behavior directed at City employees performing governmental functions off City property will not be tolerated.

The City of Binghamton strives to meet the needs of its clients and visitors in a professional and positive manner. Our aim is to be prepared to handle any incidents that occur and to ensure that all City of Binghamton employees, clients, and visitors are provided with a safe environment.

GOALS:

- To provide a safe environment for employees, clients, and visitors to City of Binghamton Government and sites where we may conduct business in the community.
- To provide guidance regarding direct or indirect threats to an employee, and any other situations wherein an employee believes she/he will encounter a potentially dangerous or violent situation, including but not limited to:
  1) An attempt or threat, whether verbal or physical, to inflict physical injury upon an employee.
  2) Any intentional display of force that would give an employee reason to fear or expect bodily harm.
  3) Intentional and wrongful physical contact with a person without his or her consent that entails some injury.
  4) Stalking an employee with the intent of causing fear of material harm to the physical safety of such employee when such stalking has arisen through and in the course of employment.
- To ensure that all employees understand the roles and responsibilities of all parties in creating and maintaining a safe environment, and to regularly reinforce the responsibility of all staff to help create and maintain a safe environment for staff, clients, and visitors.
- To ensure that all employees are familiar with this program, including it as part of initial and on-going training.
- To ensure that all employees know where the workplace risk assessments are located, how the assessments may be accessed, and how risks are mitigated.

DUTY TO WARN:

In furtherance of this program, employees have a "duty to warn", by completing the Incident Form, their Department Head or supervisors, or Personnel Department of any suspicious workplace activity, situation or incidents that they observe or that they are aware of, involving current employees, former employees, contractors, or visitors that appear problematic. This includes, for example, threats or acts of violence, aggressive behavior, offensive acts, and threatening comments or remarks. The City of Binghamton will not condone any form of retaliation against any employee for making a report under this policy.

WHO IS COVERED?

All City of Binghamton employees, elected officials, volunteers, students, and interns who assist in city work.

RISK ASSESSMENT AND PROGRAM REVIEW:

City of Binghamton Management and Authorized Employee Representatives have conducted risk assessments of each City workplace. These assessments identify "risk factors" and the methods used to mitigate the identified risks. Each location risk assessment includes the specific measures currently in use to mitigate risks. Each Department Head has the assessment for his/her department for use in annual review and for review by employees. The Director of Personnel and Safety also maintains a complete set of the assessments. This documentation will be made available for review when such review does not increase risks to employee safety.

COMMON RISK FACTORS INCLUDE:

A. Accepting cash payments
B. City buildings are open to the public during regular business hours
C. Working late at night or early morning hours
D. Working alone or in small numbers
E. Disgruntled customers/employees

COMMON METHODS USED TO PREVENT INCIDENTS AND ADDRESS HAZARDS IDENTIFIED IN THE RISK ASSESSMENTS:

A. Employees who accept and handle cash may be separated from the public
B. Drop safes or other methods to minimize cash-on-hand
C. Security cameras may be installed in critical locations (public areas such as reception, hallways, entryways, parking lots)
D. Reception areas may be separated from the public with protective safety glass
E. Installing additional external lighting
F. Security badges and security personnel and metal detector are used at entrance

HIERARCHY OF CONTROLS:

Risks identified through the risk assessment process will be addressed according to the following hierarchy:

A. Engineering Controls; reducing hazards through the installation of physical barriers, such as safety glass, counters, and doors.
B. Work Practice Controls; changing policy, procedures, and practices to reduce risk and promote safety
C. Personal Protective Equipment (PPE); some employees will be provided PPE when no other means of reducing risk is available.

PROGRAM REVIEW:

The Labor/Management Safety Committee will review this Program annually and recommend revisions for adoption by the City Council. Risk Assessments will be reviewed annually by the Department Head and the appropriate authorized employee representative(s) who will note risks, recommend and implement mitigation efforts, and report any changes to the risk assessment to the Labor/Management Safety Committee and the Director of Personnel. The annual risk assessment documentation will be maintained by the Department Head and Director of Personnel. This documentation will be made available for review when such review does not increase risks to employee safety.

CITY OF BINGHAMTON'S ROLE:

A. The City of Binghamton will ensure that all employees are made aware of their role in safeguarding employees, customers and visitors. This will be done by reviewing the security policy and procedures at new employee orientation, through the distribution and availability of the policy and procedures in paper and electronic formats, through review of the policy and procedures, and through employee inquiry.

B. The City Labor/Management Safety Committee will review all workplace violence incident reports at least annually. This committee will review aggregate information regarding threats and incidents and will make recommendations regarding needed changes in City policies and procedures, physical structures, and operating procedures. Department Heads, Authorized Employee Representatives and the Director of Personnel will also review such incident reports regularly to evaluate trends or necessary actions.

c. If any employee is called on by a Law Enforcement agency to complete an affidavit regarding a work related threat or incident may seek the guidance of the City Attorney's Office.

D. Any person who makes threats, exhibits threatening behavior, or engages in violent acts on City of Binghamton property will be removed from the premises as quickly as safety permits and shall remain off City of Binghamton premises pending the outcome of an investigation. Simple disagreements in the workplace may not rise to the level of an incident under this program. The City of Binghamton's response to incidents of violence may include suspension and/or termination of any business relationship, reassignment of job duties, suspension or termination of employment, and criminal prosecution as appropriate.

E. The Director of Personnel will maintain a complete file of all Incident Reports and related documentation that may include one or more voluntary statements that accompany such Incident Report. The City Labor/Management Safety Committee will review all Incident Reports at least annually.

F. The Department Head is responsible for forwarding a copy of all Incident Reports to the Personnel Department.

AUTHORIZED EMPLOYEE REPRESENTATIVE(S) ROLE:

Authorized Employee Representatives are given an opportunity to:

1. assist in the development of the workplace violence prevention program
2. assist with analyzing incident reports, records, policy, and procedure
3. assist with conducting workplace risk evaluation and determinations
4. participate in reviewing the effectiveness of mitigation actions taken

OTHER RELATED LAWS AND POLICIES

All persons are prohibited from possessing firearms and other dangerous weapons in City operated buildings. Law enforcement officials are exempt from this prohibition.

Access Card Information Badges (photo ID) are provided to employees upon hire. Similar ID Badges may also be provided to contractors and consultants who will be working at the City for an extended period of time.

ANNUAL TRAINING:

A. The City of Binghamton will make this written program available to employees and authorized employee representatives upon request. This program is posted on the City's internal website.

B. Employees will be trained when an employee is initially assigned to a position and every year thereafter. The training will include the following items:
   1. The requirements of the law.
   2. The risk factors in their workplace.
   3. The location and availability of the written plan.
   4. Measures employees can take to protect themselves from workplace risks and what the written violence prevention program specifies in that regard, including incident alert and notification procedures.
   5. Specific training will be provided at those sites where unique risk factors are present.

NO RETALIATION:

The law prohibits an employer from retaliating against an employee who has:
1. Made a report under this program
2. Requested an inspection by Department of Labor officials
3. Accompanied Department of Labor officials during the inspection

REPORTING OF THREATS TO EMPLOYEE SAFETY:

A. All City of Binghamton employees are responsible for notifying their supervisor of any threats they have witnessed, received, or have been told that another person has witnessed or received. Employees should also report behavior they regard as threatening or violent if that behavior might be carried out on a City site. The employee or his/her supervisor is responsible for notifying the Director of Personnel of threats and incidents as soon as possible, but no later than the end of each business day. The Director of Personnel will share appropriate information with other Department Heads when more than one city department is or is likely to be effected by the threat or incident.

B. The employee will be asked to complete an Incident Report form. This must take place as soon as possible, but in no case more than 24 hours after the threat or incident. If the incident has taken place over a weekend, it may be reported on Monday morning.

C. An employee who obtains a protective or restraining order that lists City locations as protected areas must provide a copy of the order to his/her supervisor. The City of Binghamton has confidentiality procedures that recognize and respect the privacy of the reporting employee(s).

D. An employee who believes that a serious violation of the workplace violence prevention program exists shall bring the matter to the attention of a supervisor immediately either orally or in writing and shall afford the employer a reasonable opportunity to correct such activity, policy, or practice.

E. Where an employee has reported an issue and the City has not corrected the matter after a reasonable period of time, the employee (or employee representative) may request that the Department of Labor conduct an inspection of the workplace. A request to the Department of Labor for an inspection must
   a. Be in writing
   b. State with reasonable particularity the grounds for the requested inspection
   c. Be signed by the employee or employee's representative

   The Department of Labor can be reached at 607-721-8211...

WHAT TO DO WHEN FACED WITH IMMINENT DANGER:

A. An employee who believes that an imminent danger exists shall follow any established department procedures and also report such matter to law enforcement by calling 7076 or 7077 if inside a City building or 911 if calling from outside City building. Department procedures may include a formalized or designated response team with contact numbers, alarm buttons in some locations and also calling 911.

B. Bomb Threats

   If any employee receives a bomb threat in person, or while talking with someone on the phone, they are to dial 7076, 7077 or 911 immediately and notify their Department Head. Employee shall follow the procedures on the bomb threat checklist that is available from the Personnel Department, Department Head or T Drive and is attached to this program as Appendix A.

C. If an individual makes a threat by mail, e-mail, or on voice mail, **DO NOT ERASE THE E-MAIL OR VOICE MAIL MESSAGE,** follow the procedures described in this section under "Reporting".

D. If an employee meets, either in the office or in the field, with an individual known to have been violent or who the employee believes may be threatening or violent, the employee must:
   1. Notify his/her supervisor of the need to meet with such an individual and of the possible threatening situation **before** the meeting takes place.
   2. Request assistance from his/her supervisor if the meeting or visit will take place on agency premises.
   3. The employee or supervisor must notify the Department Head if they have asked for a Law Enforcement or security staff escort to a meeting or visit for safety reasons.

E. If an employee is working on City business while off-site during non-business hours and a situation arises that poses a threat to his/her safety, the employee must **call 911**.

NOTIFICATION:

Affected employees will be notified by the Department Head of the actions Personnel and the City Administration have taken in response to a reported incident and what actions are possible regarding the individuals in question.

DEFINITIONS:

Address: City of Binghamton Personnel Department, 38 Hawley Street, Binghamton, NY 13901, will be used when needed or requested. This will not apply if an employee is acting on his/her own initiative as a citizen, in which case his/her home address may be required.

Affidavit: A written declaration made under oath, before an authorized official. Affidavits are used by law enforcement agencies and prosecutors to garner the statements of parties involved in an incident or crime. Affidavits are available to the defendant and his/her attorney if an incident is prosecuted. They are often called supporting depositions or voluntary statements.

Accident Report: Required City form to document an accident in a county vehicle or a personal car used on City business. Use the Incident Report Form available from your Department Head/Supervisor or on the City of Binghamton T Drive and attached to this program as Appendix B.

Criminal Charges: Actual filing of a criminal complaint that results in an arrest warrant or appearance ticket requiring the perpetrator to respond in court to the charges.

Imminent Danger: Any conditions or practices in any place of employment which are such that a danger exists which could reasonably be expected to cause death or serious physical harm immediately or before the occurrence of such danger can be eliminated through the enforcement procedures otherwise provided by this section.

Incident: An action that may have further consequences, i.e. medication error, personal injury while on duty, or negative interaction with a client.

Incident Report: Required City form to document an incident. This form is available from your supervisor or on the City of Binghamton TDrive/Personnel/forms.

Order of Protection: An Order of Protection is an order of a court that prohibits a person from specific contact with another person and can prohibit a number of defined behaviors, including prohibiting a person from appearing at a person's home or place of employment.

Perpetrator: The person who makes a threat or commits an act of violence.

Threats: Criminal behavior, personal threats, bullying, physical contact and stalking, domestic violence – including threats received at work or at home arising out of an individual's status as a City of Binghamton employee. Threats may be conveyed orally, physically, by telephone, by mail or electronic mail, or through a third party.

Victim: The person who is threatened or toward whom an act(s) of violence is directed.

BOMB THREAT CALL PROCEDURES

Most bomb threats are received by phone. Bomb threats are serious until proven otherwise. Act quickly, but remain calm and obtain information with the checklist.

If a bomb threat is received by phone:

1. Remain calm. Keep the caller on the line for as long as possible. DO NOT HANG UP, even if the caller does.
2. Listen carefully. Be polite and show interest.
3. Try to keep the caller talking to learn more information.
4. If possible, write a note to a colleague to call the authorities or, as soon as the caller hangs up, immediately notify them yourself.
5. If your phone has a display, copy the number and/or letters on the window display.
6. Complete the Bomb Threat Checklist immediately. Write down as much detail as you can remember. Try to get exact words.
7. Immediately upon termination of the call, do not hang up, but from a different phone, contact the police immediately with information and await instructions.

If a bomb threat is received by handwritten note:

- Call numbers in box below
- Handle note as minimally as possible.

If a bomb threat is received by email:

- Call numbers in box below
- Do not delete the message.

Signs of a suspicious package:

- No return address
- Excessive postage
- Stains
- Strange odor
- Strange sounds
- Unexpected delivery
- Poorly handwritten
- Misspelled words
- Incorrect titles
- Foreign postage
- Restrictive notes

DO NOT:

- Use two-way radios or cellular phone; radio signals have the potential to detonate a bomb.
- Evacuate the building until police arrive and evaluate the threat.
- Activate the fire alarm.
- Touch or move a suspicious package.

THE COUNCIL OF THE CITY OF BINGHAMTON
STATE OF NEW YORK

Date: May 7, 2014

Sponsored by Council Members: Berg, Matzo, Motsavage, Webb, Rennia, Mihalko, Papastrat

Introduced by Committee: Finance

RESOLUTION
entitled
A RESOLUTION AUTHORIZING AN AGREEMENT WITH SHUMAKER ENGINEERS TO PROVIDE CONSTRUCTION INSPECTION SERVICES FOR THE FRONT STREET RECONSTRUCTION AT CLINTON STREET PROJECT, PIN 9752.74

WHEREAS, the City wishes to retain Shumaker Engineers to provide construction inspection services for the Front Street Reconstruction at Clinton Street Project (PIN 9752.74) at a cost of $221,766.36; and

WHEREAS, funds for such an agreement are available from budget line H5120.525023.51809 (Norfolk Southern), of which 100% is federally reimbursable, in accordance with the attached budget.

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, does hereby:

RESOLVE that the Mayor, or his designee, is authorized to enter into an agreement, approved as to form and content by the Office Corporation Counsel, with Shumaker Engineers, to provide construction inspection services for the Front Street Reconstruction at Clinton Street Project, PIN 9752.74, at a cost of $221,766.36, and be it further

RESOLVED that funding for such contract be deducted from budget line H5120.525023.51809 (Norfolk Southern), of which 100% is federally reimbursable, in accordance with the attached budget.

I hereby certify the above to be a true copy of the legislation adopted by the Council of the City of Binghamton at a meeting held on 5/7/14. Approved by the Mayor on 5/9/14.

Terry the line we need to move the money into is H8340.54410 (Water-Capital, Prof Services).

Ken, we are doing a RL for the next council meeting to complete the engineering on the sludge extraction system. There is no professional service lines in capital except for the joint sewer plant rehab and one for IT. Therefore I think we need to create the line above. I am using capital because all of the transfers are coming from capital lines. So my question to you (memory getting bad), can we create a line and fund it in one resolution or do we need two separate RL's?

Thanks

ORDINANCE

entitled

AN ORDINANCE AUTHORIZING THE DISCONTINUANCE OF NORTH GRISWOLD STREET IN THE CITY OF BINGHAMTON.

WHEREAS, pursuant to Section 101 of the Second Class Cities Law of the State of New York, the City Council of the City of Binghamton has caused a notice of intention to discontinue North Griswold Street in said City, to be published in the official newspapers of said City for a period of 10 days beginning February __ 1998, stating therein that all persons interested might be heard in reference thereto on the 2nd day of March, 1998;

WHEREAS, on said March 2, 1998, the City Council duly held a public hearing for the purpose of allowing all persons interested in the discontinuance of North Griswold Street be heard in reference thereto, and all such persons having been heard;

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, at least three-fourths of the members voting in the affirmative, does hereby ordain as follows:

Section 1. North Griswold Street, as more particularly described on the attached Schedule A, is hereby discontinued.

Section 2. This ordinance shall take effect immediately.

I HEREBY CERTIFY the above to be a true copy of an ordinance adopted by the Council of the City of Binghamton at a regular meeting, November 16, 1998; approved by the Mayor, November 25, 1998.

DRAFT: RESOLUTION IN SUPPORT OF NEW YORK STATE LEGISLATION WITH REGARD TO SEX OFFENDER REGISTRATION

WHEREAS, on January 1996 New York State adopted the Sex Offender Registration Act (SORA), and

WHEREAS, SORA was enacted to protect the citizens of New York State from dangerous sex offenders by requiring sex offenders to register as sex offenders in the area where they reside, and

WHEREAS, SORA has designated sex offenders in three classifications, and

WHEREAS, the 20 year registration has expired, allowing hundreds of Level 1 sex offenders to be released and free to move and roam anywhere they want to go without a way of monitoring their movements, and

WHEREAS, there were 279 Level 1 sex offenders in Broome County in January, but 26 have already come off the registry since then, and

WHEREAS, members of the Binghamton City Council deem this a very dangerous practice for the residents of New York State to release Level 1 sex offenders from the registration, and

WHEREAS, there is pending legislation currently under consideration in the New York State Assembly with regard to sex offender registration: ·
• Assembly Bill A.9532, which requires level one sex offenders to register for life, with a right to petition for relief after 30 years; and
• Assembly Bill A.8503, which would which extend the requirement of level one sex offenders to register as a sex offender from twenty years to thirty years and would also allow local governments to place reasonable restrictions on where a sex offender is permitted to live;

now, therefore, be it

RESOLVED, that this council commends the New York State Assembly for the introduction of A.9532 and A.8503, and urges the New York State Assembly to pass said legislation, and be it

FURTHER RESOLVED, that the City Clerk shall forward a certified copy of the resolution to Governor Andrew M. Cuomo, Assembly Speaker Carl E. Heastie, Senator Frederick J, Akshar II, and Assemblywoman Donna A. Lupardo.
