Operating Permit Appendix C

Pyrotechnics in Assembly Occupancies

An Operating Permit is required for use of pyrotechnic devices in any assembly occupancy. [Although Part 1203, section 1203(g)(1)(iii), requires an operating permit for use of pyrotechnic devices only in assembly occupancies, section 1203 (g)(1)(v) provides that an operating permit must be required for buildings whose use or occupancy is determined by the Authority Having Jurisdiction to pose a substantial potential hazard to public safety. See Appendix E for further information.]

An inspection must be completed prior to the issuance of this type Operating Permit.

The inspection must confirm (1) that all fire protection and life safety features are inspected and have current maintenance within the timeframes set by Section 901 of the *Fire Code of New York State*, (2) the existence and adequacy of fire safety plans and emergency preparedness, and (3) that the means of egress are properly maintained, that interior finishes are appropriate, and that occupancy calculations are correct.

IMPORTANT: Please note that section 280.00 of the Penal Law provides that in the absence of a permit issued by the “permit authority” under section 405.00 of the Penal Law, it is unlawful to offer or expose for sale, to sell or furnish, or to possess, use, explode or cause to explode, any “fireworks” or “dangerous fireworks.” **Most pyrotechnic devices fall within the definition of “fireworks” or “dangerous fireworks” under section 270.00 of the Penal Law.**

Section 405.00 of the Penal Law provides that the “permit authority” of a state park, county park, city, village or town may grant a permit for the public display of fireworks by municipalities, fair associations, amusement parks or organizations of individuals. For a fireworks display within a state park, the term “permit authority” means the state agency having custody and control of the park. For a fireworks display within a county park, the term “permit authority” means the county park commission or such other agency as may have jurisdiction, control and/or operation of the parks or parkways within which any fireworks are to be displayed. For a fireworks display within a city, the term “permit authority” means the duly constituted licensing agency of such city or, in the absence of such agency, an officer designated for the purpose by the legislative body of the city. For a fireworks display within a village, the term “permit authority” means an officer designated for the purpose by the board of trustees of the village. For a fireworks display within the territory of a town outside of villages, the term “permit authority” means an officer designated for the purpose by the town board of the town.
